

Access and logon information for PWSSD online student resources:

ALEKS Math

www.ALEKS.com The students username is lastnamefirstinitial with number(s) and their password. Neither are case sensitive. Should be able to do the entire program along with any assessments at home or school. If using a computer, you will need to download and install the ALEKS plugin, which can be found on their homepage using the Downloads link in the upper right corner of the page.

ConnectED & WONDERS

The students logon is a simplified logon at:

<http://connected.mcgraw-hill.com/school/e8b9>. The students username is lastnamefirstname, all capitals and no space. In some cases it could be just their first name with numbers, but it is always all capitals with number(s). Their password is a number with 2 pictures to click on.

For a regular logon it is www.ConnectEd.com. The students username is lastnamefirstname, all capitals and no space. In some cases it could be just their first name with numbers, but it is always all capitals with a number(s). Their password is lower case. Some teachers have given their class password cards/labels for them to be able to work anywhere.

If you have any further issues or questions, please email Barb Schwartz at barb.schwartz@pwssd.k12.wi.us, or call 262-268-6100.
