

# ACTIVITY TRANSPORTATION FORM

(MUST be turned in to your student's coach before the end of classes on the day of the activity)

Board policy states, "Students who go on school trips are expected to return on the same bus or car. Permission to leave the group may be granted by the faculty representative when written parental/guardian consent is obtained before the trip."

Parents wishing to have their students return in an alternate manner, please complete this form to conform to the policy as stated above. Also, please check in with the faculty advisor so they know that you have arrived and that your child will be leaving with you.
