

Thomas Jefferson Middle School
ATHLETIC ELIGIBILITY REQUIREMENTS

Dear Parent/Guardian:

If your student is to be considered eligible to compete in interscholastic sports at Thomas Jefferson Middle School, the following items must be on file, for the current school year, in the school office before they will be allowed to practice or participate:

A *Physical Examination Form signed by the doctor.

*NOTE: If the student had a current Physical Form on file with the TJMS office last year, and the physical examination is still valid then an *Alternate Year Physical Form needs to be completed for the current year. (Valid meaning, a physical examination is only good for 2 school years if the exam is taken **after April 1**. Exams taken **before April 1** is good for the remainder of that school year and the following school year.)*

Evidence of insurance coverage – complete during online registration or pick up form in office or print off our website

A family may elect to purchase insurance through Student Assurance Services or they must complete and sign an *Insurance Waiver form indicating that they have their own family coverage.

Interscholastic Sports Activity Fee

The fee is \$60.00, which covers all Interscholastic Sports for the current year. (Family Max is \$120.00)

Informed Consent Signature Form

This form will be given to students by their homeroom teacher. Students and parents are asked to read the TJMS Student Handbook, sign the Informed Consent Signature Form, and return it to the TJMS Office. The TJMS Student Handbook will be available on the student's desktop and on our website.

Concussion Awareness – complete during online registration or pick up form in office or print off our website

Interscholastic sports require a signed agreement form. Concussion Awareness information and form is available from the coaches, on our website, and in the TJMS Office. Once the form is signed by the parent and student the form is then returned directly to the coach.

Sincerely,

Liz Ferger
Assistant Principal
